We Know The Caribbean Like No One Else And Ship To Every Single Caribbean Destination!

Cargo must be delivered or dropped off at the CCDC Lanham warehouse by the scheduled deadline in order to make the shipping departure dates.

Cargo departure and arrival dates listed on the Shipping Schedule are estimated and subject to change. Estimated date of arrival at destination is subject to change, without notice, by the Carrier.

While we ship to every single Caribbean country, during these unprecedented times, shipping services may be temporarily suspended to some destinations.

Due to the continuation of the pandemic, adverse weather conditions, and the expected increase in cargo volume, customers are encouraged to plan ahead and ship at least four (4) weeks early.

Customers will be advised of any changes when shipment is scheduled. In addition, delays may occur due to new safety measures at the ports of delivery and delays should be expected at most cargo destinations. Some ports may require reservations for cargo & freight pick-up.

Customers should follow our Facebook page for alerts and regularly visit our News page on CaribbeanCargoDC.com for urgent shipping related updates.
